Preference

systems thinking
 technical
 numerical

Focus

analytic
 science driven
 money

Responsibility

taking care of
 economy

SAFETY

COMMUNITY CARD

(+) about Protection
Overprotecting makes
people unaware of
possible new danger.

(-) about Enslavement
Dependency can
easily be misused by
other people, groups,
organisations, commu-
nities or governments.

SAFETY

TRUST

COMMUNITY CARD

(+) about Connecting

If you connect to much you can forget who you are and as a result of that you may lose your Identity.

(-) about Exclusion

The fear of not being part of something or a group is a strong emotion and can often lead to wrong decisions where people end up being exploited.

TRUST

UNDERSTANDING

COMMUNITY CARD

(+) about Informing

It is possible that with a lot of information nothing really stands out and you are losing focus.

(-) about Criticism

If someone gives you advice it doesn't mean you are not good enough and you should stop listening.

UNDERSTANDING

AWARENESS

COMMUNITY CARD

(+) about Influence

We tend to forget that with influence comes responsibility.

What is my role in my situation? What does health mean?

(-) about Weakness or Sickness

Weakness or Sickness is frightening because it shows we are vulnerable. If we ignore vulnerability we ignore life!

AWARENESS

RELAXATION

COMMUNITY CARD

(+) about Efficiency

There is nothing wrong with efficiency but why and when do we need to be efficient for what reason?

(-) about Time

Time means there is a limitation. Our biggest limitation is that we don't live forever. Living with less stress comes with choices..

RELAXATION

TENDERNESS

COMMUNITY CARD

(+) about being Empathic
Empathy does not mean that we are victims all the time and need to be saved. Let us understand that the other is not that different.

(-) about Scarcity
We humans need to make it through the next day. Isn't it better if you are not on your own?
"I am because we are"

TENDERNESS

LIFE CARD I

RITUALISING

How to deal with...

- Heritage & Identity
- Different cultures

Action(s) to be taken

- Self actualisation
- Education
- Informing
- Communication Skills

Dilemma

- Dubble binding

Improve Livelihood
